Thank you to those parents who were able to attend our 'Zones of Regulation' workshop on Thursday. We will be emailing out the presentation and resources so that they are available to those who were unable to attend. We have three further workshops scheduled for September including 'Phonics and Early Reading', 'Online Safeguarding' and 'Google Classroom'. We hope that you find the workshops informative and helpful. If there are any further workshops that you would like to request, please do let us know.

We continue to offer a wide range of extracurricular clubs and activities. Please see our website for further details. We are excited to be able to host a morning futsal club from 20th September and we have other clubs starting such as archery, tag rugby and magic maths. Please keep an eye on your ParentMail for further communications.
