EDITION 07

Weekly Newsletter

Friday 20th October

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

And just like that, this half term comes to an end. It really seems to have whizzed by so quickly but it has been such an amazing half term, full of exciting learning, demonstrating our values and brilliant extracurricular opportunities. Our students have worked incredibly hard over the last seven weeks and we are so proud of all of them. As we start to enter the colder months, please ensure that your child has an appropriate coat to keep them warm during break and lunch.

We hope that you found your parent consultation meeting informative this week.

The children were proud to be able to share with you their learning journey so far this year. A reminder that our website includes all of the information that you require to be able to see what your child studies in school. If you require a follow up appointment, please speak to your child's teacher or contact the school office. As always, if you have any questions, concerns or queries then please do not hesitate to contact us.

Have a great half term break.

Yours sincerely,

Mr Colin Moore

Our current value is HOPE.
