

Ramsey Manor Lower School

Aspire, Achieve, Excel

EDITION 20

Weekly Newsletter

Friday 9th February

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

I hope you are all well and that you have had a good week. The term continues to fly by and it is not long until our next set of parent consultation meetings on Monday 18th March (4-7pm) and Wednesday 20th March (4-6pm). Next week, you will receive an invite to book your ten-minute appointment slot. That evening will also give you the opportunity to look at all of the learning that your child has undertaken so far this school year across the curriculum and will provide you with a full update on their progress. As always, if you would like to make an appointment with your

child's teacher to discuss any concerns you may have or for an update on progress, you are welcome to do this at any time by contacting the school office. We enjoy sharing your child's progress and our high expectations with you in a number of ways, including parent consultation meetings, open classroom events, our writing gallery, celebrations of work, other galleries that we have hosted, informal conversations and phone calls and through different awards. Wishing you all a great weekend.

Yours sincerely,
Mr Colin Moore

Our current value is UNITY.

Clubs & Activities

We continue to explore different opportunities to enhance our clubs & activities programme before school, during lunch and after school. Next half term we are planning to introduce three further clubs to boost our already packed programme. This will include table tennis, basketball and a new drama club for children in Saplings, Year 1 & Year 2. Please see our website for our full programme for each week. We welcome your feedback for other clubs that you would like to see.

We are very excited that Rocktopus will be visiting us at Ramsey Manor on Wednesday 28th February. This is an interactive, live music for children which will entertain, educate and inspire. Further details to follow...
