EDITION 23

Weekly Newsletter

Friday 8th March

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

I hope you are all well and that you have had a good week. It has been another amazing week here at Ramsey! Today we have celebrated World Book Day with the children with a special assembly from Miss Harris, celebrating books and storytelling. Miss Harris also hosted a 'Book Swap Shop' so that children were able to find a new book to take home to read. We have continued with our 'Open Classroom' events in Year 1 & Year 2. Thank you to parents and carers for being so engaged with this and for giving us feedback. We really appreciate it and we will continue

with events like this in the future. On Tuesday, Year 3 & Year 4 watched a wonderful production called 'Belongings' which they thoroughly enjoyed.

Next week we will be celebrating 'Science Week' where the theme is 'Time' and children in all year groups will be carrying out investigations. It is going to be another exciting week and we are looking forward to it already!

Wishing you all a great weekend.

Yours sincerely,

Mr Colin Moore

Our current value is FORGIVENESS.

Parent Consultation Meetings

We are looking forward to welcoming you all to the next set of parent consultation meetings on Monday 18th & Wednesday 20th March. If you haven't booked your appointment already then please do so by Monday 11th March. These meetings will focus on your child's academic progress alongside any other updates relating to school life. You will also be able to look at your child's books so that you can see the progress they are making across the curriculum.

A reminder that it is Red Nose Day next Friday 15th March. Children are invited to wear non-uniform on the day. Parents can make a voluntary donation online if they would like to. We have a special assembly planned to spread some joy on the day!
