Friday 19th April

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

I hope you are all well and that you have had an enjoyable and restful break over the holidays. It has been fantastic welcoming back all of the students this week as we embark on a very busy term. You will have received the termly curriculum overview for your child's year group via ParentMail. Here you will find all of the information that you need in relation to what your child will be studying this term. This information is also available on our website and this includes detailed breakdowns for each subject. Here you will see the wide range of subjects that your child studies.

I would also like to share with you the exciting news that Miss Harris has been appointed as the interim Deputy Headteacher. Miss Harris took up this post at the start of this term so she will be continuing to work across the school and teaching in Saplings.

Please remember that if there is anything that we can support you with, do not hesitate to contact us.

Wishing you all an enjoyable weekend.

Yours sincerely,

Mr Colin Moore
