Weekly Newsletter

Friday 7th June

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

I hope you are all well and that you have had an enjoyable week during the half term break. Welcome back to the final half term of the academic year. This is set to be a busy seven weeks with numerous trips, activities, educational opportunities, transition events and our amazing PTA events that are set to take place.

As part of the parent survey, we asked your thoughts regarding being informed of what your child will study throughout the academic year. We send termly curriculum overviews out for each year group directly via ParentMail.

These documents are also available online via our website. Our website contains comprehensive information regarding what your child will study during their time at Ramsey Manor. This is available as a year group document or subject by subject. It is vital that you are kept fully updated with what is happening in school so we will continue to review our communication channels.

Wishing you all an enjoyable weekend.

Yours sincerely,

Mr Colin Moore

Holiday Requests

During the previous half term and at the start of this half term, we have noticed an increased amount of holiday requests during term time. Unless this is in the event of an exceptional circumstance, all leave requests will be unauthorised. It is important that your child is present in school as much as possible in order to support their progress and attainment. Our minimum attendance expectation is 96%. Thank you for your support with this.
