Weekly Newsletter

Friday 5th July

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

I hope you are all well and that you have had an enjoyable week.

Firstly, I would like to say a massive thank you to our incredible PTA and to all of the families in our school community for the Summer Fete last week. It was an amazing event that was so well attended. This event will have raised lots of money that will go back towards the students here at Ramsey Manor. Thank you to all of the volunteers for making this happen; we are so grateful!

This week in school, the children had a special assembly about the library reading challenge

that will be taking place over the holidays.

As a school, we urge as many of you as possible to engage in this challenge and to continue reading regularly over the upcoming break.

We hope you all enjoy the PTA Summer Discos this evening and we are also looking forward to the leavers event next week.

Wishing you all an enjoyable weekend. Let's hope for a positive result in the football on Saturday!

Yours sincerely,

Mr Colin Moore

We have also published term dates for 2025-26. Please avoid booking holidays during term time.

Sports Day

As you will already be aware, our Sports Day is scheduled for this coming Wednesday 10th July. You received a letter last week on ParentMail containing all of the information you need. Children should wear a coloured t-shirt representing their house. Please ensure that your child has a water bottle, a hat and sun cream already applied. Fingers crossed for good weather! If you have any questions, please contact the school office.

A reminder that you will be receiving your child's end of year report next Friday 12th July. This report will explore academic attainment and progress, your child as a learner and how you can help at home. Following feedback, next year we will be introducing termly academic reports. We will send out information about this next year.
